SERVICE | BRAND BLUEPRINT

FROM ZERO TO HERO

We helped to launch KOPI LAIN HATI Franchise from the very beginning. The aim is to compete with rising coffee franchise, Kopi Janji Jiwa and Kopi Kenangan, by nudging the market to "change their heart". We used Indonesian slang and slogans for the menu so it could relate to existing market while giving a clear differentiation with the competitor.

—

SERVICE | SOCIAL ACTIVATION

WEB SERIES

To promote the unique naming of the menu, we create 10 episodes of 1-minute video series for Instagram and initiate activation (quiz & rewards) at the end of each video. It proved very effective to gain engagement via Instagram Comment

—

SERVICE | SOCIAL ACTIVATION + KOL MANAGEMENT

VERIFIED BADGE & BRAND COLLAB

KOPI LAIN HATI x CADBURY & RIRIN EKAWATI

We helped Kopi Lain Hati to achieve Verified Badge on Instagram, assisted by PR Stunt that we helped to create. Other than that, we also initiate a campaign collaboration between KLH with Cadbury and Ririn Ekawati
